# About Us

---

**MILAN**<sup>®</sup>  
BOMBAY

Established in the year **1999**, we, “**Milan Rubber Industries**” are a **Sole Proprietorship (Individual)** firm engaged in manufacturing, trading and supplying a wide range of **Industrial and Automotive Rubber Components** We offer **Rubber Bellows, Rubber Gaskets, Rubber Bushes, Rubber Seals, Rubber Diaphragms, Rubber Mountings and 'O' Rings**. The entire range is appreciated by the valued customers for its Eco-friendly, tensile strength, fine finish, moisture proof and waterproof nature. Manufactured as per the international quality standards, our products are demanded in various industries such as automobile, electrical, rubber and manufacturing industries. We have set up a modern and sophisticated infrastructure, which is spread across a large area in **Thane, (Maharashtra-India)**. Our infrastructure is divided into various divisions such as warehouse, packaging, quality and sales & marketing to make the production process smooth and systematic. We have recruited professionals from different backgrounds to look after each department. These professionals are well versed with all the machines and tools that are installed inside the infrastructure. Furthermore, we are able to win the trust and confidence of our reputed customers due to their dexterity and constant dedications. Under the guidance of our notable **CEO, 'Mr. Amit Mehta'**, we have garnered a huge clientele across the domestic market.
